► Please use ballasts to fix your structure and respect the following values and rules:

<b>Width of structure (Tent ...)</b>	<b>Ballast</b>	<b>Width x Length for tent</b>	<b>Ballast</b>
20 meters	2000 kg	5 m x 5 m	250 kg
15 meters	1500 kg	4 m x 4 m	200 kg
10 meters	1000 kg	3 m x 3 m	150 kg

► A safety commission can check any time during the week. The safety commission may require the removal of the structure (tent) if the fixation does not comply with the values and rules (weight of ballast is not enough).

► Ballast rental options available at:
